THE MATRIX

JO BANNISTER

No one had heard of the Matrix for millennia; but the Matrix was not gone — only waiting. It had a purpose, in the pursuit of which it was prepared to be every bit as ruthless as the Imperialists of Tok-ai-Do. And it was Dak's misfortune to be caught between two such irresistible forces... 191pp

PROJECT POPE

CLIFFORD D SIMAK

On the Rim planet a bizarre society of robots and humans had toiled for a thousand years to create the perfect religion... A group of highly trained human sensitives were sending their minds exploring, gathering all the information that could ever exist anywhere. And with that information, a computer of infinite knowledge and wisdom was being constructed in secret — the ultimate Pope. 313pp
