

YOU MUST REMEMBER US...?

Leonard Daventry

YOU MUST REMEMBER US...?

'It was bizarre, the most horrifying proposition since Frankenstein's monster. At least Mary Shelley's fictitious creature had been constructed from human pieces, but this was to be all machinery except for the brain...' A fast-moving tale in a world of nuclear war, worldwide disaster, interstellar travel, alien encounters and futuristic technology. 192pp

Club Edition £2.60

Publisher's Edition £5.25

ROADMARKS

ROGER ZELAZNY

ROADMARKS

ROGER ZELAZNY

The Road runs from the unimaginable past into the far future, and those who travel it may take the turnings that lead to all times and places... even to histories that never happened. The Road has always been there for those who know how to find it.

Red Dorakeen has travelled it as long as he can remember. But now - at the last exit to Babylon - he has an appointment which will determine whether he has either a future or a past. 189pp
